Dear Mr Grant

I write to acknowledge and thank you and the staff of City of Melbourne for the kind donation to *beyondblue: the national depression initiative* through your council's Australian National Parking workshop with our chairman, Hon Jeff Kennett AC; we greatly appreciate the generosity and support of all concerned.

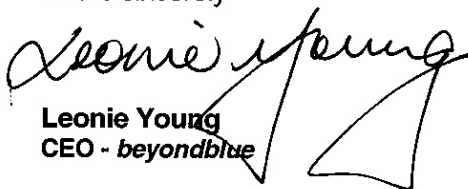

At *beyondblue*, our goals are to increase community awareness about depression and anxiety and reduce the stigma associated with this disabling condition through public education. We aim to make the facts about depression and its effective treatments more widely available across Australia. Your contribution will assist us to do this.

Donations are deposited directly into the *beyondblue* Depression Research Fund and monies are used specifically for research in this field.

The *beyondblue* Research Fund Trust has its own Board of Directors to determine the fund allocation for research programs. Information about the research programs can be found on our website www.beyondblue.org.au.

We thank you again for your generosity.

Yours sincerely

Leonie Young
CEO - *beyondblue*
